TAGS TO KEEP CAMPAIGN GOING

18 AND 19 PUBLICITY FUNDS LOW.

Race Between State College and University in Tags and Letter-a-Day.

A tag day to raise funds for the last minute work, for the final intensive campaign for measures 18 and 19, and for the life of the Greater University will be held on the campus next Tuesday, October 19. Every student and faculty member is expected to be wearing a tag by 6 o'clock, according to Manager Charles A. Roberts.

"The funds for the publicity campaign—for advertisements and bulletins—are practically used up. The last two weeks are more important than any other two weeks in the whole campaign and it will be the work done in those two weeks that will probably tell the tale on the ballots November 2. University students are going to be asked to give one dollar next Tuesday to carry this fight to a finish," said Mr. Roberts.

COMPETE WITH AGGIES.

The State Agricultural college at Bozeman has been competing with us in the Letter-a-Day club as well as the tag day. The State University has a larger enrollment by several hundred than the State college and it is the hope of the central committee that we will have at least that many more dollars. Last spring a similar tag day was held and the results were entirely satisfactory to the committee in charge. Last year the tags read "The Greater University of Montana, It Must Live!" This fall they will say "Boost 18 and 19." "At the same time," Chairman Roberts said, "Let's beat the Aggies!"

NOT ENOUGH LETTERS.

"The students are not writing letters as they should," is the report of the central committee. "And neither are some of the county chairmen showing the interest and co-operation that they should. The following people will replace the former county chairmen who did not put up boxes for their counties: James Gillespie for Donald Gillespie, Liberty; James Murphy for Mark Fawcett, Richland; Bona Pearsall for Ruth Daugherty, Sanders; Helen Ramsey for Eugene Hines, Fergus; Iva Thompson for Harold Lindstrom, Big Horn; Alden Felin for Eugene Finch, Beaverhead; Edna Belpap for Jessie Bierman, Flathead; Margaret Mackay for Helen Wood, Wheatland; Emil Riefflin for William Wisnimer, Mineral; Cora Brown for Clark Brown, Sheridan.

CHAIRMAN SELLS TAGS.

County chairmen will sell the tags, according to Mr. Roberts. There will be a meeting of the chairmen Monday afternoon in Room 10 at 4 o'clock to make all arrangements for tag day. The central committee insists that every chairman be there.

MILITARY MAP READING CLASSES COMMENCED

Cadet Major Keeley Supervises Intermediate Courses in R. O. T. C.

Classes in military map reading and sketching have commenced under the supervision of Cadet Major Patrick Keeley. The work is for men who are enrolled in the intermediate course of the R. O. T. C.

Major A. C. Cron, commandant, has divided the former students and other students eligible for the intermediate course into three sections and assigned a section to each company. Men in these sections report for instruction in map making twice a week and to active drill once a week.

Emerson Stone Doing Community Singing

Emerson Stone, a former student in the school of music at the University, is doing community singing work at Wilmington, Delaware.

The Wilmington and Philadelphia papers last week carried stories of a drive for funds in Wilmington. One of the writeups told of a dinner at which the DuPont managers contributed sums toward the community budget.

At the end of the luncheon after the donations had been made the warden of the penitentiary walked in and wished to speak to Mr. Stone. He stated that as a mark of appreciation for the work Mr. Stone had done among them, the prisoners in the workhouse had scraped together one hundred dollars which they wished to donate to the community service.

Mr. Stone has organized a glee club at the penitentiary and states that he has found musical talent there.

BRUINS GET BLANKETS FROM MONTANA ALUMNI

When the Montana football team goes out upon Denny field at the University of Washington Saturday afternoon they will have with them 15 new gold colored blankets with a big block maroon M on each one.

The blankets were presented to Coach Bernie Bierman for the team when they left Thursday afternoon. The blankets are the gift of University alumni.

PHYSICAL EDUCATION FRATERNITY ENTERTAINS

Delta Psi Kappa Plan Big Hike for New Majors and Minors in Department.

Delta Psi Kappa, national women's physical education fraternity, held its first meeting of the year Wednesday afternoon at 5 o'clock. Lillian Christensen presided. Plans were discussed for a party for the new majors and minors in gymnasium and it was finally decided that the party should be a hike up Marshall Creek gulch Tuesday afternoon. The girls will take the Bonner car that leaves town at 4 o'clock, and then hike up the gulch to the camp grounds.

A committee consisting of Lillian Christensen, Mary Showell, Ruth Cavin and Mary Laux are going up to the camping site early in the afternoon and prepare the "eats." When the guests arrive they will sit down to a "regular camp spread" of wienies, buns, hot baked beans, fruit and potato salad, dill pickles, doughnuts, coffee and toasted marshmallows.

Delta Psi Kappa is a new professional fraternity on Montana campus, the local club, P. E. P., having been granted its national charter last June.

The charter members of Delta Psi Kappa are Virginia McAuliffe, Mary Laux, Helen Little, Lillian Christensen, Ruth Cavin, Mary Showell, Karen Hansen, Madeline Kelley, Alma Burkhardt, Edith Hamilton, Muriel Harner, Helen A. Little, Olive Dobson and Miss Lucille Leyda, director of women's athletics.

Sophomore and freshman majors and minors in physical education will be pledged within the next two or three weeks. Membership in Delta Psi Kappa may exceed 40 members, as there is a greater number of freshman majors and minors than ever before.

PHARMACY CLUB ELECTS.

The first meeting of the pharmacy club was held in the pharmacy laboratory Tuesday afternoon when the following officers were elected: Olive Gnose, president; Wallace Lynch, vice president; Henry Rakeman, treasurer, and Francis Powell, secretary.

BRUIN CUBS STAGE FIRST SCRAP HERE

FROSH PLAY BUTTE CENTRAL SATURDAY.

Catholic Eleven Is Reported Unusually Strong Aggregation.

This year's Bruin Cubs will stage their first real scrap when they meet the lads from Butte Central High on Dornblaser field tomorrow afternoon. It should prove an interesting contest as Butte Central team is heralded as a strong aggregation and a worthy foe for the frosh. The Cubs' line up for tomorrow has not been definitely arranged.

If the frosh athletics can be put on a firm basis from now on several more games will be played here. Every effort will be made to arrange a complete schedule for them, not only on the gridiron but at the hoop game as well.

Two basketball games already are scheduled.

It is rumored that the game here tomorrow will be given added pep by the presence on the frosh team of several former Butte high men who itch for the scalps of their old rivals from Butte Central high school.

DENNY FIELD RESULTS GIVEN AT FROSH GAME

Telegraphic Connections Make Early News of Contest Obtainable.

The results of the Washington game, play by play, direct from Denney field, will be announced during the game between the Grizzly Cubs and the Butte Central high school eleven, here tomorrow.

An operator reporter has been engaged to get the story at Denney field and send it direct to the Montana field. The freshman game starts at 3 o'clock, and at the end of the first half news of the Grizzly-Sun Dodger battle will begin to arrive. Pat Keeley will probably announce the results.

During the last week, Professor Charles Farmer has expended every effort to arrange for the direct connection of the University telegraph loop with the main line and also the erection and connection of the Denney field loop. He has been successful and for the first time in the history of Montana the results of her contests will be wired back direct to the students unable to witness the games. In the future any visiting team wishing to wire back the results of its contest with a Montana team to its school, may do so over the University loop.

An admission of 50 cents will be charged to defray the expenses of construction of the loop and of the operator reporter on Denney field. Should there be a surplus left after all expenses are paid, it will be used to promote freshmen athletics. At present there is no money on hand for this purpose. This action has been approved by the executive committee of the A. S. U. M. Students of the University will also have to pay the admission, as their A. S. U. M. tickets will not admit them to the game to hear the reports.

U WOMEN HAVE ROOMS.

All University women are now satisfactorily placed in rooms on the campus and in private homes, according to Mrs. Quincy Scott, secretary to the dean of women. There is already a long list of girls waiting to enter Craig hall and Knowles cottage at the beginning of the winter quarter.

WOMEN OF MYSTERY IS REPORTED ON CAMPUS

Who is she? How could you expect us to answer the question for you 889 students—442 co-eds and 447 eds? No, we can't do it so we will leave it to you.

Behind this cloaking mystery there is a girl. Is she the tall striking brunette? Or is she the little blond with the winning smile? She may be your best girl. If she isn't now she will be as soon as the mystery is revealed.

Have you seen those eyes and those lips? Have you danced with her? She has a teasing smile. She is a regular girl. She is the peachiest of the peaches. Watch the Kaimin and see if it picks your ideal.

Who is she?

REGISTRATION FIGURES CONTINUE TO INCREASE

Men Outnumber Women by Five; 380 New Students Add to Enrollment.

Eight hundred eighty-nine students had registered at the State University of Montana by Tuesday evening, according to J. B. Speer, registrar. Of these 447 are men and 442 are women.

There are 380 new students. Of the former students, there are 19 who registered prior to the fall of 1919 and 394 who registered after that date. In the special or unclassified class there are 54 new students, 25 former students and 17 music specials.

WOMEN'S CONVOCATION ON THURSDAY MORNING

Helen Little, president of the W. S. G. A., and Miss Lucille Leyda, chairman of the social committee, explained the rules governing the women of the University at a women's convocation Thursday morning. Miss Alice Brown, field secretary of the Y. W. C. A., President E. O. Sisson and Mary Laux spoke on subjects pertaining to the social life of the University.

President Sisson emphasized the fact that the reputation of the women as a whole was in the hands of the individual person and he urged that each be very careful not to bring the reputation of the University into disfavor by any individual act.

Miss Leyda explained the resolutions passed by the social committee concerning the chaperones and dancing noting especially that University women were not allowed to attend the public dances.

Miss Little read the rules governing the women. She explained what they mean and why each one should follow them.

Miss Brown has been visiting many girls from the Y. W. C. A. convention held in Cleveland last April. She told of their discussions of social problems and of the work of the organization in foreign countries.

Miss Brown has been visiting many universities. From here she will go to Spokane. Then she will speak at the universities and colleges in Idaho, Washington and Oregon.

The origin and work of the Catholic Students' association was explained by Miss Laux in a short talk.

ZADA FRENCH GENERAL NORTHWEST SECRETARY

Zada French, general secretary of the University Y. W. C. A. and the State college Y. W. C. A. last year, is now town and county secretary of the northwest field which includes Montana, Wyoming, Idaho, Washington and Oregon. Miss French makes Seattle her headquarters.

GRIZZLIES LEAVE TO PLAY U. OF W.

BIERMAN TAKES 19 MEN FOR SATURDAY'S GAME.

Students Give Team Royal Sendoff; Pep Rally at Station.

The Montana Grizzlies left yesterday afternoon for Seattle to play the University of Washington. The team went through a light practice in the morning and the 19 men who boarded the train with Coach Bierman yesterday at 3:20, while the students under the direction of Pat Keeley gave their yells and songs, are true Bruins, well trained and willing to fight until the deciding whistle blows Saturday afternoon.

The men who were chosen by Coach Bierman to meet the Sun Dodgers are Freeman, Walterskirchen, Elliott, De Mers, Dorsey, Harris, Dahlberg, MacGowan, Daylis, Carver, Madsen, Adams, Higbee, Kershner, Sullivan Barry, Porter, Baird and Ramsey.

Another practice will be gone through Saturday morning on Denny field, the scene of what is possibly the greatest game of Montana's gridiron history. When the Grizzlies met Syracuse in 1915, they met a strong team, greater even than Washington, but the only thing at stake was the decision of that game. When Montana meets the Sun Dodgers tomorrow the reputation of Montana for coming years is at stake. If the Bruins beat Washington they must be then judged as one of the big factors in northwestern football, and will undoubtedly be given consideration, when the schedules for the larger schools are made for next year. This is the first game Montana has had with a Pacific coast institution and from all indications is able to face Washington on fairly even terms.

The Varsity has suffered only two losses through injuries and ineligibilities. Jimmie Morris, a good man at the end position, is unable to be in togs, due to injuries received in a practice game with the frosh. Jeff Olsen, a fast half, with lots of experience, will be out of the game because of a technicality.

Even as the band played "By Jingo" at the depot, so will Washington exclaim after the game has started.

Y. W. C. A. GIVES TEA THURSDAY AFTERNOON

Meeting Addressed by Leaders of Movement in Many Fields.

Mrs. W. O. Dickinson, chairman of the city board of the Y. W. C. A., took charge of the program, "We Believe in Girls Everywhere," at an informal tea given Tuesday from 3 to 5 o'clock by the city Y. W. C. A. at the home of Mrs. N. H. Schweiker, 602 University avenue.

Miss Dorothy Culver, general secretary of the city Y. W. C. A., spoke first on Missoula girls, considering Missoula the hostess city and Missoula girls as responsible for the comfort of their guests.

Miss Gertrude Clark, president of the University Y. W. C. A., spoke of housing, financial and social problems of University girls.

Miss Gula Gamble, in charge of the girl's reserve on the northwest field, talked about younger girls, emphasizing the necessity of giving them a spirit of co-operation through club work.

Miss Alice Brown, student secretary of the northwest field, in "Girls Around the World," told of unsanitary conditions among industrial workers in foreign countries and of what the Y. W. C. A. has done to relieve them.

After this program tea was served.

FRIDAY, OCTOBER 15, 1920.

THE AGGIES WILL GET YOU.

You are not giving your University the support you owe it in writing letters for it. Almost nine hundred students are registered now, and almost nine hundred letters are due daily, but an average of only one hundred actually are turned in. You owe the University one letter a day to insure the success of Measures 18 and 19 at the polls November 2.

If you are going to maintain your standing 100 per cent All-University you will have to write the letters, for your record is being made and it is being tabulated in black and white. And the total record for the University will be lined up and measured with that of the State College—and the result there will also be marked down in black and white. Either we beat the Aggies, or we are beaten by them, and if we are beaten by them, we run a chance of being beaten at the polls besides—a double defeat.

TO OUR ALUMNI.

The alumni of the University sent the Bruins off to Washington with fifteen M blankets. This is not the first time that the alumni have shown their appreciation of the teams, nor the first time they have shown their loyalty to the University.

They are of the spirit that held Syracuse to the 6-6 tie. They are of the spirit that has won many a noble victory before and since. They are confident now of the team, and of the fight that the Bruin will give to the unsuspecting Sun Dodger on Denny field.

In our appreciation of our alumni may their standard of loyalty and faith and devotion to Montana at all times be the aspiration of every Montana student.

MAKE 'EM HEAR IT.

When the team left for Seattle yesterday afternoon, the loyal Montana students—those of them that did not have 3 o'clock classes—were at the Milwaukee station to tell the fighting Bruins that in their biggest game of the year they have the solid support of the students back home. The last thing the members of the team heard when the train pulled out was the Montana yell, mixed with shouts of "Fight 'em." The last thing they saw was "Doc" Schreiber shaking his fist in a final admonition to fight.

Those students who were at the station will also be on the athletic field tomorrow afternoon to see the freshman game, and to hear the play by play reports from Denny field. No student who feels that he sustains a personal loss when the Bruins are defeated will fail to be in the stands to hear of the battle they are making.

You will be there. But will you be there as a passive observer, or will you be there with all the noise and pep that a Montana student ought to take to a Varsity game?

Bring your megaphone. And when Steve swings around the end for fifteen, or Hig drops one over from the thirty-five-yard line, yell loud enough to make 'em hear it. Bring enough Montana pep to that long distance game so that the A. S. U. M. can wire to the Bruins: "The folks at home are fightin' fols, yell-

ing like madmen out there on the bleachers." Do that, and you won't be disappointed in the way the Grizzlies perform in the second half.

Yell for the Varsity. Make 'em hear it on Denny field.

Y. W. STARTS INCREASED MEMBERSHIP CAMPAIGN

A Y. W. C. A. membership drive started yesterday under the direction of Eleanor Harvey. The drive will last one week. The other members of the committee are Mildred Hayns and Stella Chandler. In addition to these workers one girl will be appointed to cover each women's fraternity, three for Craig hall and one for Knowles cottage.

Y. W. C. A. TO MEET.

The University Y. W. C. A. will meet Tuesday at 5 o'clock in the women's rest room in main hall, according to Inga Hoem, chairman of the meetings committee.

According to Inga Hoem, the first

meeting of the year will be composed of a musical program followed by reports from Gertrude Clark, Ruth Cavin and Margaret Wickes, delegates to the Northwest Field Student conference at Seabeck, Washington, last August.

Every woman in the University, Inga Hoem says, is urged to attend this meeting and a special invitation is extended to freshmen.

ROLYSDEN VISITS CAMPUS.

MANY STUDENTS APPLY TO SHEPARD FOR WORK

Over 150 Applicants Provided
for Now; Jobs for 100
More Expected.

Approximately 260 students have applied for employment this year, according to George Shepard, student employment secretary. Work has been secured for 150 of the applicants so far and work for another 100 is expected to be secured within the next three weeks.

Regular application cards, giving the class hours and studies, are made out by the students. Many cards have been handed in without the class hours on them and Mr. Shepard requests that the cards be made out again since the schedules have been arranged.

The student employment bureau is helped by Mrs. Ella Allen Scott, secretary to the dean of women. Because of her familiarity with Missoula she is able to secure work for the students in the homes. So far she has secured places for 18 girls.

Several jobs have come in for apple picking for Friday afternoons and Saturdays, which will employ a number of men. Mr. Shepard wishes all men who want work to report to him immediately.

He said that as Butte was the largest city in the state it could almost swing the election, and that it was up to the Butte students to see that it swung in the right direction.
